Please make sure to include your **SURNAME** as the **FIRST** word in your reference code followed by the **DATE** of check in as a reference number in the order DD/MM/YYYY. For example:

A booking in the name of "Simpson" on the 1st December 2007 should have the bank reference as:

"SIMPSON_01122007"

This enables us to quickly identify payments and allocated them to the correct reservation.

Please DO NOT send payments through without first checking availability and placing a reservation with us. Although we do not normally take tentative bookings, for bookings being paid for in advance via bank transfer, we can make the reservation pending your payment.

Please note also that we must receive the correct amount of the payment required in Australian Dollars (AUD). Any bank fee's or charges at the senders end must be paid for over and above the amount being sent.

Naturally if you have any queries please contact our staff during reception hours 8am to 9pm 7 days.
